your compass card

Terms and conditions

1. This Compass Card is valid for two years, or up to your child's 20th birthday (if that's less than two years from the time of issue). Amaze will remind you to renew the card the month before it expires and ask you to update the details held about your child on The Compass database. Once that's done, you'll be issued with a new card.
2. The 'Compass Card holder' referred to in this booklet is the child or young person with special needs. The card can't be used by parent carers unless the card holder is present.
3. If you lose the card, send a cheque for £5, made payable to 'Amaze', at Community Base, 113 Queen's Road, Brighton BN1 3XG, and include your child's name and your address and phone number. We'll cancel the original card and issue a replacement.
4. Let Amaze know if you change your postal address, email address or 'phone number! That way we can remind you when your card needs renewing and keep you up-to-date with news and issues that interest you.
5. Some Compass Card offers are last-minute and we may only be able to tell you about them by email. If you've got an email address, make sure we have it so you don't miss out.
6. Card holders need to follow the rules at Compass Card venues and stick to the terms and conditions of the card. Although this happens rarely, Amaze reserves the right to withdraw the Compass Card if necessary.

Please note: Amaze wants to offer as many benefits to Compass Card holders as possible but this does not mean that we're giving our recommendation. We assume that you will make your own decisions about whether Compass Card offers are appropriate for you. The offers on the Compass Card are subject to change and are added to regularly. You can check the latest offers on the Amaze web site, or keep in touch via email through our regular e-bulletin.

Children up to the age of 15 who live in the city already get free entrance to the Pavilion and Preston Manor if they visit with an adult who also lives in Brighton and Hove. Carers of visitors with disabilities get in free too. However, showing the Compass Card also means 16-19 year olds get free entrance, and it ensures the accompanying adult is seen as a carer even if your child's special needs are not obvious.

The Royal Pavilion, built for the Prince Regent (later King George IV), is famed for its exotic appearance inside and out and is Brighton's most distinctive landmark. Preston Manor is an atmospheric Edwardian manor house, reputed to be the most haunted building in Brighton.

What?

Special offers on selected shows (often at short notice) on selected family shows at one of the oldest working theatres in the UK. Performances include the theatre's Christmas show, as well as West End and touring productions from across the country.

General ticket bookings

- If you're booking a ticket for a Compass Card holder and you need to sit in a particular part of the theatre because of their additional needs, you'll pay the lowest price for their ticket, even if you need to sit in a more expensive area.
- If you show the Compass Card at the time of booking, you can request a free carer's ticket – but make sure you ask: it isn't automatic. There may be occasions when this offer is capped at peak times.

Making the most of the Compass Card

- Click on the Compass Card link on the Amaze web site (www.amazebrighton.org.uk) to find out about the latest Compass Card offers. We update the site regularly to add ad hoc offers, special last-minute offers from our theatre partners and brand new offers from local leisure providers.
- If you have an email address, sign up for our Compass e-bulletin. It will keep you up to date on Compass Card offers, as well as other things happening around the city.
- It's worth showing the Compass Card to all leisure providers, whether they have a Compass Card offer or not, to see if you can get a discount. If you do, be sure to tell us so we can let other people know, or organise a proper Compass Card deal – call 01273 772289.

Amaze

Amaze is a charity that works with parents of children with special needs in Brighton and Hove. The Carers' Card

Carers need looking after too and Brighton & Hove City Council's Carers' Card provides a range of local offers to help carers take care of their own health and well-being. Parent carers with children under 18 who have a Compass Card automatically qualify for the free Carers' Card. Call the Integrated Child Development & Disability Team on 01273 295153 for more details. If your child's over 18, call the Adult Social Care Access Point on 01273 295555. Have your child's Compass Card to hand when you call – you will need to provide the number on the back.

Gully's Day Out

Albion in the Community has teamed up with some of the South's best loved attractions to provide free days out for disabled children and adults – and families that have a child with a Compass Card will automatically qualify. Gully's Day Out activities include: Sea Life Brighton; Cineworld Brighton Marina; Brighton and Hove Albion; Bluebell Railway; and Inspire Littlehampton (swimming pool and leisure centre). To find out more email AITCGullyDayOut@bhafc.co.uk or 'phone Teresa Sanders on 07919 051848.
